

Bud Rank Elementary *Grade Level AR Points Requirements and Awards*

One of our goals at Bud Rank Elementary is to instill a lifelong love of reading in our students. One of the ways we strive to accomplish this goal is through the Accelerated Reader program and incentives which are designed to motivate students to read and to develop their skills so that they may read increasingly difficult material with improved comprehension. Students use an electronic program called Accelerated Reader (AR) where they earn points by taking quizzes on books at their instructional reading level which accumulate each semester.
