## Principal's Message

### Traffic and Safety

I want to thank all of the parents and families for a safe start to the school year during drop off and pick up. Here are some reminders to keep all of our students safe. Drop off and pick up only from the curbs. It is never safe to drop off in the middle of the parking lot or have students walk across streets and lots without an adult. It is against the law for students to walk across the medians on Leonard and Powers. Students must use the crosswalks. Please remember that personal golf carts are motorized vehicles that should never be on campus.

### Raven Run

Today your student(s) brought home information on the Raven Run. This is the one major fundraiser for Bud Rank Elementary. The funds raised are 100% for the student this school year. Funds raised are used for student awards, student rewards, field trips, sports uniforms, rallies, Code events, and many other activities. Money raised is not used for salaries and stipends. We are asking parents to take time this weekend to read over the materials and the great incentives we have for students. This year is a little different with the actual run taking place at the end of September when it is cooler and hopefully cleaner air. Collections start on Monday and students will get incentives before the run where we want all students to wear their Raven Run shirts with the donor sticker on them. [RAVEN RUN](#)
