Principal's Message

Traffic

It is that time of year where we see an increase in traffic as the weather is colder and drivers are losing patience. We have seen an increase of parents dropping off in the middle of parking lots and letting students run across the parking lots to the playground. There have also been parents dropping off across handicap stalls or in Red Zones. We understand many parents are dropping off before going to work, so time is tight, but we want everyone safe. Every morning we have 800 students being dropped off so keep these procedures in mind while dropping off:

- 800 students being dropped off takes time, be patient.
- Drop off at the green curbs only in the parking lots.
- Don't wait to get to the front of the line to drop off. If you are in the green, it is time to drop off.
- Dropping off in the middle of the parking lot or across handicap stalls is not safe and against the law.
- If you are parking to drop off, please walk your student(s) to the playground.
- Students must use the crosswalks and not jaywalk across the Harlan Ranch landscaped medians.
- In the Powers Lot use the sidewalk and parking lot crosswalk near Campus Club
- Obey the Cross-Walk Guard. If the stop sign is up you cannot enter or make a turn in the crosswalk.
- Expect delays due to traffic. Students can be dropped off starting at 8:00 am. The closer to 8:15 the worse the traffic gets.
