### Principal's Message

#### Lice

It is that time of year again where we have students with lice. We have had less than five so far this year, but it is a good time to check your child and talk to them about lice. Please see the attached parent handouts for tips and how to identify lice and their eggs. Please help us by reporting all cases of lice to the Health Office so we can inform parents in the same classroom to do a double check of their child. #### Afterhours Access

We have had many students and parents requesting to be let into classrooms well after school is dismissed. Our night custodians and office staff are not allowed to open classrooms for students and parents to retrieve homework and books. Please understand that our custodians do not know which students are in each classroom or owners of desks, books, and personal items.

#### Sick Student Homework Request

We are happy to send home missed classwork and homework for students who are out sick or miss a day for other reasons. Please note that all requests will be in the office after school so teachers are not interrupting their teaching to get the work together. You may request the missed work by calling the office or emailing the teacher directly.

#### Fall Athletics

Congratulations to our Fall Teams for a very successful year! Our Girls Volleyball Team were Co-Champs of the Clovis North Area and qualified for the District Playoffs. Football ended the season with a big 24-0 win over Nelson. Our Cross Country Teams maintained their dominance with a Clovis North Area Championship in both 4th Grade Boys and 4th Grade Girls. Both of those teams also placed 2nd in the District Championships. Huge congratulations to Savannah Garza who was the District Champion in 4th grade and ran the second fastest race for a 4th-grade girl in district history. Please join us on Thursday at 4:30 in the MPR to honor all fall athletes at the Fall Athletic Awards.
