Safety on Campus

Just a few reminders about safety on the Bud Rank Campus. We have had several personal golf carts on campus especially after school during soccer practice. There are no golf carts allowed on campus at any time. A few years ago, the District limited the use of golf carts on campus to just custodial staff. Students can be hurt with them on campus because they do not expect to come across vehicles on campus. Please keep all personal golf carts in the parking lots. We have also had a good number of dogs on campus at arrival and dismissal. We ask that all dogs, unless service or therapy dogs, remain off campus. We have 8,750 kid fingers on campus and want to keep them all safe. Even the best-behaved dog at home with kids can become a completely different dog on campus with 875 students.

Happy Thanksgiving

The Bud Rank Faculty and Staff want to wish you all a very Happy Thanksgiving. We are so thankful to all the parents who volunteer time on campus, have given generously to our fall fundraisers, and support everything at Bud Rank. We are very fortunate to have the support of this great community. The campus will be closed all next week and we will return on Monday, November 26th.
