Primary Parents & Families - All parents and families attending the performance will report directly to the MPR. There is no need to sign into the office and we ask that parents do not come into the classrooms. Teacher will bring students over to the MPR at the time of each performance. Students will have an opportunity to greet and thank families after each performance in the amphitheater.

Student Dress - Teachers have asked that students dress up for this event. Some suggestions are button-down shirts and khakis for the boys and dresses for the girls. We ask that students do not wear shorts, t-shirts and athletic wear. We do not expect parents to purchase a whole new outfit for the program, just some nice clothes. We also ask that students do not wear antlers, as they block parents from seeing students behind the student with antlers.

Audience - We will be clearing the audience after each performance in the Bud Rank MPR. This will ensure all parents and families have seats for each performance. By clearing the audience, it avoids seats being saved during earlier performances. We ask that this information is shared with all family members, as it can be confusing the day and night of the programs.

Student Council Ronald McDonald House Donation Drive

Our Student Council is collecting household items to support the Ronald McDonald House at Madera's Valley Children's Hospital. Ronald McDonald House is lodging and meals for family members who are out of the area who have children in the hospital for treatment. When my own son had major surgery at Stanford, we stayed at the Ronald McDonald House and it was an excellent and welcomed experience during a difficult time. It is a very worthy cause and it is local. As you are out shopping this weekend please refer to the attached flyer and support Student Council in this drive. [Ronald McDonald House Wishlist](#)

Athletic Update:

Effective January 1st, new education code requires all students participating in co-curricular sport activities to have a signed Opioid Factsheet on file with school sites before practicing or competing, starting with the current winter sports. Please fill out the form on our website: [Athletic Opioid Factsheet](#)

Independent Study Reminder:

Please remember that requests for independent study must be made at least one week in advance. The reason for the week's notice is because it takes time for teachers to plan and gather materials needed.
