

Dear Bud Rank Families,

This year for our annual giving back drive we have decided to partner with our own local Ronald McDonald House. We are very fortunate to live so close to Valley Children's Hospital, but many are not. The Ronald McDonald house is a place where families can stay very close to the hospital.

As you can imagine, support from our local community is crucial in making a Ronald McDonald House feel like a "home away from home". To provide a loving, caring and supportive environment, Ronald McDonald House Charities heavily relies on the generous donations given by our local community. We have a wishlist, organized by items of need and by grade level. We will be collecting items starting now through Friday, December 14th.

Thank You,

Bud Rank Student Council
